

106.7 K-Love serves a vital role within my community. I know of no other radio station that provides as positive and encouraging words as K-love. I know that I can tune in to K-Love and I don't have to worry about being exposed to foul language or negative attitudes. Its a safe sation for everyone, including kids, to listen to. They go beyond just playing music, but also offer real support to anyone who needs it. Anyone can call in to talk to a pastor-and they don't even have to walk into a church, which can be intimidating to many. If not for K-love, I would not listen to the radio near as much.
